

FIR CENTER SEMINAR

"Growth of quantum dot nanostructures
and applications to semiconductor
materials for optics"

Speaker: Dr. Julien Brault

(Director of Research of the French
National Scientific Research Center,
CNRS-CRHEA, Centre de
Recherche sur l'Hétéro-Epitaxie et
ses Applications, Visiting Professor
of FIR UF)

Date: 13:00- 14:00, August 24th (Mon),
2026

Place: Colloquium room, 5F, FIR UF

Organizer: FIR UF

Host: M. Tani
Phone: 0776-27-8659
(Ext. 2724)
